Long ago, when Ivano-Frankivsk was just a small town, the people believed that the Vovchynets Mountains were **enchanted**. They were said to be the **guardians** of the city, watching over it with their **towering peaks** and rich forests. The legend spoke of a hidden **treasure** buried deep within the heart of these mountains.

A brave young **explorer** named Anna decided to find this treasure. The journey was not easy, as the mountains were covered in mystery, and the path was filled with challenges. Along the way, she met curious **wildlife**, such as the **rare** red fox and the **majestic** deer. After days of exploration, Anna finally reached the heart of the Vovchynets Mountains, a place known as the "Valley of Whispers."

Inside the cave, Anna found a **chamber** filled with **radiant** crystals that **lit up** the space like stars in the night sky. The treasure she had looked for so long was not material **wealth** but the knowledge of the mountains' **eternal** beauty and the **peacefulness** they provided to the city of Ivano-Frankivsk.

A FEW EXAMPLES

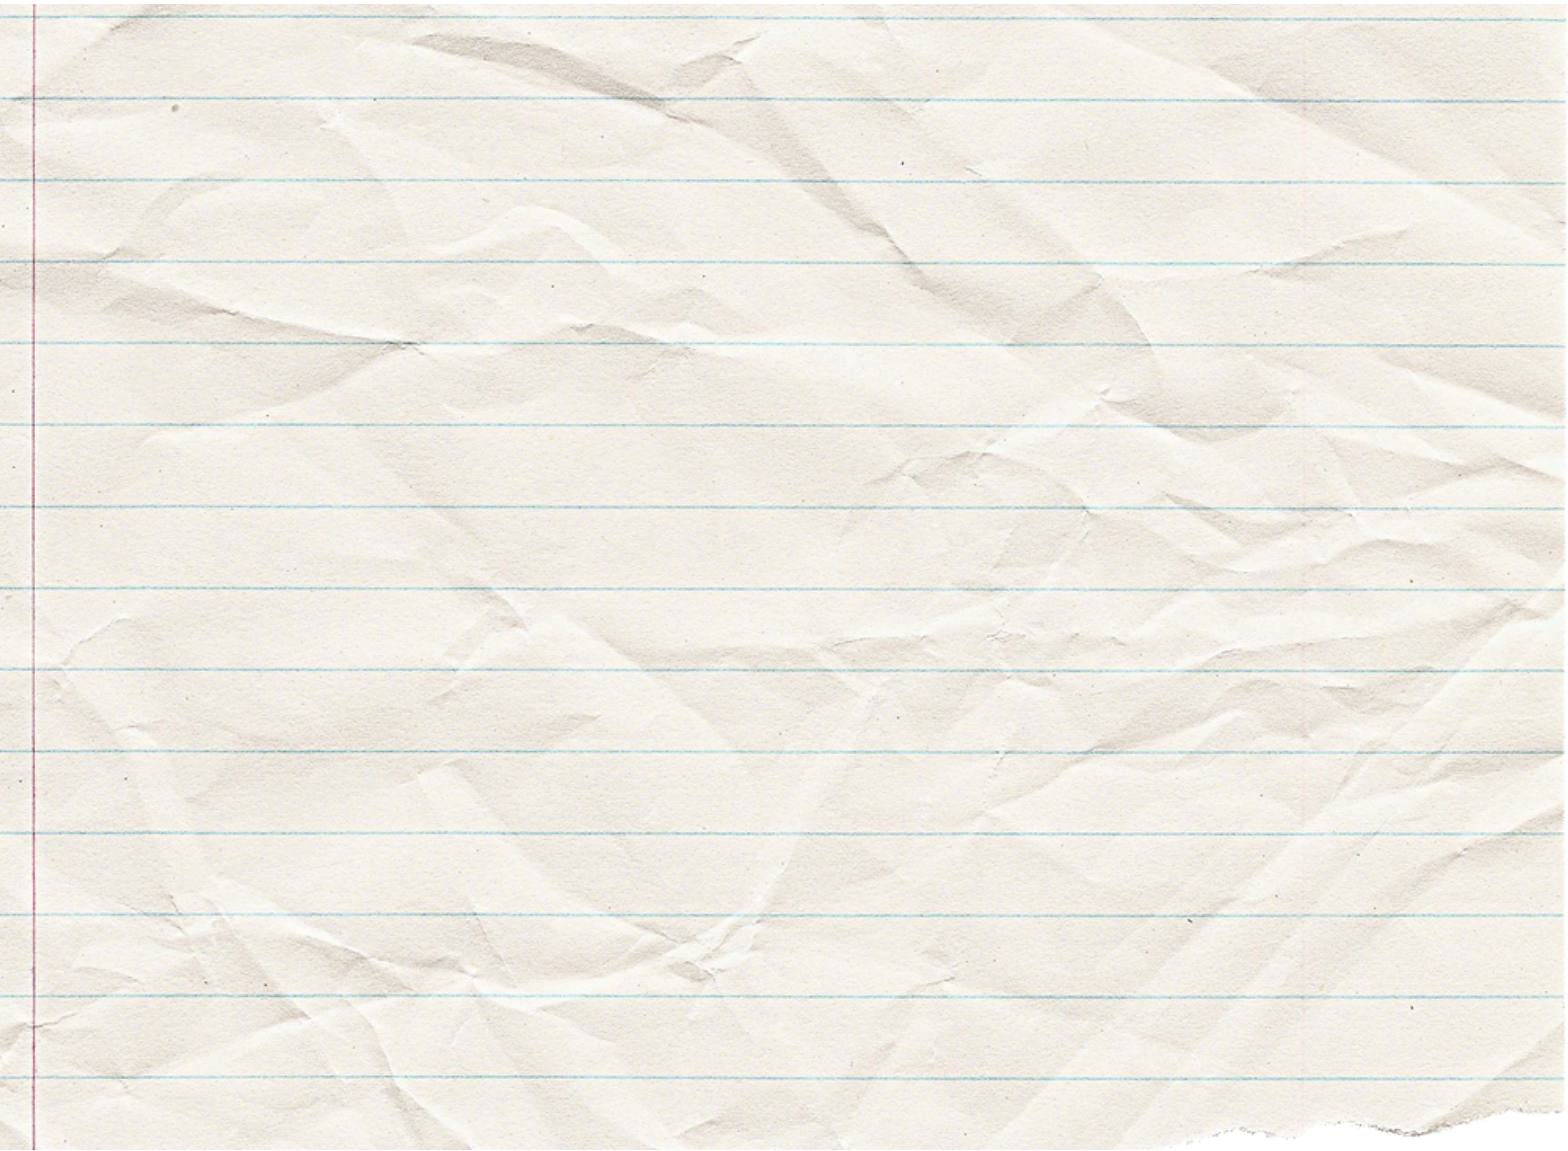

Last week, I went on holiday to Ibiza, in Spain. I was very excited because it was my first time traveling alone. It was a solo trip. In the past, I dreamt of spending time in Ibiza, so that is why I chose to visit this island.

I saw online that it had beautiful beaches and amazing parties, so I bought a lot of new summer clothes for my holiday, like bikinis and dresses, to make me feel special on my holiday. The night, I packed all the things that I had bought in my suitcase. I got everything ready for my holiday and went to bed. I was so happy!
